Become a MATADOR.

# VARIO Workshop Trolley

**Info**

## From an idea to a new standard. **VARIO.**

Our new top model **VARIO** is entirely newly developed and designed to meet the demanding workday tasks in workshops and maintenance areas.

For many years MATADOR workshop trolleys have been used in garages, assembly areas of automotive companies and by leading industrial users.

From our experience and numerous discussions with mechanics, professional users and engineers an idea emerged to design a workshop trolley that truly meets all requirements at the same time:

- Variable number of drawers
- Variable color design
- Variable accessories
- Top quality, robust construction
- Durability
- Maximum safety
- High capacity, but still high mobility
- Expandability

Based on this idea we developed **VARIO**. **VARIO** is not only a workshop trolley - **VARIO** is a concept.

Made with utmost precision on fully automatic CNC press brakes, CNC laser cutting machines and state-of-the-art chipping units, assembled by robot welders and finally powder coated in a modern painting plant **VARIO** meets top level quality standards. Everything "**Made in Germany**".

Our three standard versions have 6, 7 or 8 drawers and are painted white aluminium-black (RAL 9006). All other RAL colors are optional. By the way: You will receive **VARIO** fully assembled and packed on a pallet - our service to save your time.

Customize your own **VARIO** with our comprehensive range of accessories. And should there still be anything to desire - please do not hesitate to contact us, we will be pleased to assist you.

The one and only: **VARIO**.

# Pleasure before business.

**info**

## Perfection in details.

<p>➔ 4-level Locking System</p>	 <p>1 Central locking system with top quality cylinder lock</p>	 <p>2 Single-locked drawers, no uncontrolled opening</p>	 <p>3 Mechanical interlock system allows only one drawer to open at a time</p>	 <p>4 Optional locking bar</p>
<p>➔ Variable Design</p>	 <p>➔ 6, 7 or 8 drawers</p>	 <p>➔ 8 standard colors, other RAL colours are optional</p>	 <p>➔ Comprehensive range of accessories</p>	 <p>➔ Individual subdivision of drawers</p>
<p>➔ Maximum Safety</p>	 <p>➔ All-round ram protection</p>	 <p>➔ Pillars with integrated protection strips</p>	 <p>➔ Extra broad chassis for high stability</p>	 <p>➔ 2 castor wheels with solid break</p>
<p>➔ Premium Quality</p>	 <p>➔ Fully automatic production, Made in Germany</p>	 <p>➔ 35 kg load per drawer</p>	 <p>➔ Extra large special wheels</p>	 <p>➔ High precision ball bearing rails</p>
<p>➔ High Functionality</p>	 <p>➔ Really 100 % fully extendable drawers</p>	 <p>➔ Bigger drawer volume than conventional trolleys</p>	 <p>➔ Side and back panels with square perforation</p>	 <p>➔ Robust ABS worktop with small parts pockets</p>
<p>➔ Intelligent Details</p>	 <p>➔ Ergonomically designed handles on both sides</p>	 <p>➔ Integrated holders for screwdrivers</p>	 <p>➔ 4 pillars useable to fix accessories and add-ons</p>	 <p>➔ Custom-labelled drawers (labels included)</p>

# VARIO Workshop Trolley

## VARIO Workshop Trolley, empty

# VARIO Modules

## 1/2" Set of Impact Tools, 2 pcs.

### No more search - Impact Tools in order

Practically integrated in MTS Module, with:

- 1/2" Impact Wrench Profi with composite housing, max. breakaway torque 1,290 Nm, high-performance Double Hammer Impact System, 6 blades rotor, only 2.2 kg (Art. No. 7000 0002)
- Air Blow Jet (Art. No. 7003 0001)

Art. No.  
8164 1700

## 1/2" Impact Sockets, 19 pcs.

### Set of car tools for Impact Wrenches

Short and long type, suitable for hexagon screws, 6-point, secured with pins and O-rings, Chrome Vanadium special steel, burnished. Contains:

- 1/2" Impact Extension 125 mm
- 1/2" Impact Universal Joint
- 1/2" Adaptor (1/2" x 3/4")
- 1/2" Impact Sockets  
13, 17, 19, 22, 24 mm (short)  
13, 17, 19, 22, 24 mm (long)
- Rings and pins

Art. No.  
8164 1755

## 3/4" Impact Sockets, 14 pcs.

### Set of truck tools for Impact Wrenches

Short and long type, suitable for hexagon screws, 6-point, secured with pins and O-rings, Chrome Vanadium special steel, burnished. Contains:

- 3/4" Adaptor (3/4" x 1/2");
- 3/4" Impact Sockets  
24, 27, 30, 32, 36 mm (short)  
17, 19, 24, 27, 30, 32 mm (long)
- Retaining rings and pins

Art. No.  
8164 1765

## Set of Engineers Files, 5 pcs.

### For quick metal work

With plastic handle, second cut, 200 mm

- Hand
- Threesquare
- Round
- Square
- Halfround

Art. No.
